The Name of Jesus

Music and Lyrics: Luke Wood

In the beginning the Word was with God
Am G
For the Word was God and the Word is God

G Bdim
At the name of Jesus every knee will bow
Am C G
At the name of Jesus every tongue confess that You are Lord
Bdim Am C G
That all the world might see Your glory

G Bdim
Alpha, Omega the First and the Last
Am G
From eternity past, Jesus You are God

G Bdim
At the name of Jesus every knee will bow
Am Cm G
At the name of Jesus every tongue confess that You are Lord

That all the world might see Your glory, Your glory

Kings will stand in awe, the pride of men will fall
