

Jesus, My Lord

Music and Lyrics: Luke Wood

G G/B C G
Holy creator, Life's sole sustainer, You keep Your promises
G G/B C
My Lord and Saviour, there is no other, to whom my knee will bow
Em Bm C Am
Everlasting God, Uncreated One, in You is life and the light of men

G G/F Am D D/F# G
Jesus my Lord, You were before all things, by You all things were made
 G/F Am D D/F# Am/F D
The very same hand that upholds the universe was pierced through for all my sin

Your name is higher, Your face shines brighter than the sun You're the fairest One
Your love is better, it lasts forever, it's better than wine, better than life
