The Law And The Prophets (Love)

Luke Wood

Verse:

Am **C** **G**
Though I speak with the tongues of men and angels
Am **C** **G**
Though I have the faith to move the mountain
Am **C** **G**
If I don't have love, what have I?

What is sown in love will never be taken away
Love is the currency of heaven forever
If I don't have love, what have I?

Chorus:

F **Am**
All the Law and the Prophets hang on love
G
It's what holds it all together
F **Am** **G**
Love will never fall away

Tag:

Love is the very flame of God
Many waters cannot quench love
