

# Think About You (Faith Is The Bridge)

Luke Wood

---

Verse 1:

**Em C G/B D G/B Em**  
Faith is the bridge the substance of things hoped for  
**C G/B D G/B**  
The evidence of things not seen before (repeat)  
In full assurance I draw near

Verse 2:

**Em C G/B**  
There's so much more than my eyes can see  
**D G/B**  
So much more than my ears can hear  
**Em C G/B**  
So much more than my hands can touch  
**D G/B**  
There's more than this

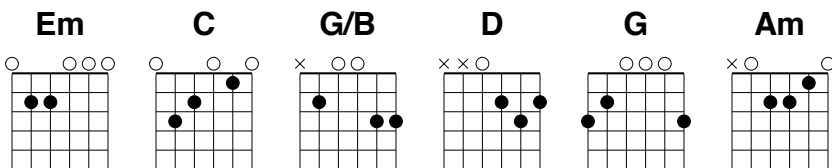

Chorus:

**G G/F# Em**  
I think about You all the time  
**D C G/B D**  
Beloved Son of God, Son of Man  
**G G/F# Em D**  
I wanna see Your glory, hear Your voice  
**C G/B D**  
And feel Your touch upon my heart  
In faith I draw near  
**G G/F# Em**  
I think about You all the time  
**D C G/B D**  
How can someone I've never seen be so real? (2x)
