

Upside Down

Music: Luke Wood and Caleb Culver; Lyrics: Luke Wood

D F#m
Place Your hand deep into my heart
Move me again, move me again

C#m F#m Bm D A C#m
You are like a hurricane, there is calm in Your eyes
C#m F#m Bm D A D E A/C#
Let Your mercy be the wheel and move me into Your heart...

D E A/C#
Place Your hand deep into my heart
Turn my little world upside down
I let go of everything

D E A/C# D E F#m
Into Your hands I commit my spirit, into Your hands
